

Country renovation with stunning views, and own olive grove 10 mins from tropical beach

To see [house video go here](#)

Solid stone walls and all the essentials in place for this property with fabulous potential in a tiny village ten minutes drive from East Crete's best beaches.

- *Total house surface house and garden 500m²*
- *House size 80m² divided into four spacious rooms, plus small outbuilding*
- *Possibility to build up*
- *Stunning views over village and surrounding mountains*
- *Water and electricity connected.*
- *Mature fruit trees and olive grove*

Surrounded by its own olive grove and mature fruit trees, privacy is assured for this charming property in an unspoilt village close to some of the region's best beaches. With immense possibilities – including building up or making a terrace to get the best of those panoramic views – loving renovation could make this a wonderful holiday home or permanent residence.

Parking is possible within the property.
